

2017 Camp Kandalore Policies and Expectations for Campers

At Kandalore, we are committed to a caring and supportive environment that develops our campers into effective leaders. In today's society, there is tremendous pressure on young people to participate in smoking, drinking and the use of illegal drugs. To address this issue and to ensure that Kandalore continues to be a safe environment for all campers, we would like to ask the families of our campers to review our policies and expectations together. It is imperative that these rules and the consequences of their violation be clearly understood.

1. **Alcohol & Drugs** – No Camper may possess or consume any alcoholic beverages on the Camp property or while in the Camp's charge. No camper may possess or use non-medicinal drugs on the Camp property or while in the Camp's charge.
Any camper found to break this regulation will be dismissed. No refund of any portion of unused camp fees will be given
2. **Smoking** – Campers are not permitted to smoke or have any tobacco products in their possession.
Any camper found smoking in a cabin will be dismissed from Camp. Campers found smoking elsewhere will have their parents notified and may, at the discretion of the Director, be dismissed from Camp. No refund of any portion of unused camp fees will be given
3. **Harassment** - Camp Kandalore is fully committed to respecting and protecting the personal dignity and human rights of our campers, LIT's and staff members. Campers, LIT's and staff members have a right to enjoy the camping experience, to work and play in an atmosphere that is free of any form of harassment or intimidation. The Camp, staff members, LIT's and the campers all share a responsibility for ensuring that such an environment exists at all times. Harassment includes words, acts or gestures of a malicious, hateful, abusive or irritating nature, which disturbs or upsets an individual or group. Harassment also includes, without limitation, what is commonly referred to as bullying and vexatious words, acts and gestures against a person or group of persons on the basis of any of the following:
 - Academic Ability
 - Race
 - Sexual Orientation
 - Civil Status
 - Physical Appearance
 - Language
 - Age
 - Religion
 - Colour
 - Political Convictions
 - Sex
 - Disability/Handicap
 - Ethnic or national origin

Harassment can be a single incident or a series of incidents.

Campers, LIT's or staff members found in violation of any of the above will be liable for: (i) a formal apology; (ii) a re-affirmation of their commitment to the Camp (suspension); or (iii) expulsion; at the Director's discretion depending on the nature of the harassment. In addition to any sanction imposed by the Camp, staff members who engage in harassment could face sanctions imposed under the Ontario Human Rights Code. In the event of suspension or expulsion, no refund of any portion of unused camp fees will be given.

Internet/Social Networking Policy

In general, Kandalore views social networking sites (e.g., Facebook, Twitter), personal websites, and blogs positively and respects the right of campers to use them as a medium of self-expression. If a camper chooses to identify himself or herself as a camper at Kandalore on such Internet venues, some readers of such websites or blogs may view the camper as a representative or spokesperson of the camp. In light of this possibility, Kandalore requires that campers observe the following guidelines when referring to the camp, its programs, campers, and/or employees on the internet or through social media.

1. Campers must be respectful in all communications and blogs related to or referencing the camp, its employees and other campers.
2. Campers must not use obscenities, profanity, or vulgar language.
3. Campers must not use blogs or personal websites to disparage the camp, other campers or employees of the camp.
4. Campers must not use blogs or personal websites to harass, bully, or intimidate other campers or employees of the camp. Behaviors that constitute harassment and bullying are listed in Kandalore's Harassment Policy.
5. Campers must not use blogs or personal websites to discuss engaging in conduct that is prohibited by camp policies, including, but not limited to, the use of alcohol and drugs and bullying.
6. Kandalore does not host or sponsor any social networking sites belonging to campers or staff. The use of camp logo or photographs is not allowed without written permission.

Any camper found to be in violation of any portion of this will be subject to immediate disciplinary action as outlined in the Camp Kandalore Harassment Policy.

These policies will be strictly enforced. We are asking for the cooperation and support of parents and campers to help maintain the safe and happy environment. Please sign below to indicate that you have discussed these policies with your children.

I HAVE A CLEAR UNDERSTANDING OF THESE POLICIES, AND I AGREE TO FOLLOW THEM WHILE AT CAMP.

Please state the allergen to which the camper is sensitive (i.e. peanuts, asthma, insect bites, hay fever, etc.)

Please describe a typical reaction to the allergen and the most serious reaction to date.

Please state the level of prior medical attention required as a result of a reaction to the allergen (i.e., non-medical, family doctor, allergy specialist).

Please provide a history of any past treatment required (i.e., no treatment, non-prescription medication, prescription medication - oral, topical, injection, name of medication).

Please describe any past emergency treatment required as a result of a reaction to the allergen (i.e., injection, doctor, emergency admittance to hospital).

Please describe any precautions used daily (i.e., avoidance, regular medication, medication as required, emergency measures on hand). List any other treatments related to the allergen and their frequency.

List any other treatments related to the allergen and their frequency.

Is the camper able to recognize and treat a reaction on their own or is assistance by an adult or medical person required?

Do you wish the camper to be excluded from canoe trips or other off-site excursions due to their allergy?

I understand that should my child require either an EpiPen or Epinephrine, Ventolin or other specific medication related to the allergy, I will provide the required medication. I also understand that unless I notify the camp otherwise in writing, my child may participate in a canoe trip away from camp property which will result in my child being some distance from medical attention.
