

Dear Kandalore Parents,

I hope that you and your families are all staying well during this very challenging time. As promised, we wanted to write today with an update from our Camp Kandalore COVID-19 response team.

Our team at camp continues to plan for the coming summer. We are however, monitoring the situation closely and are very much aware of the uncertainty caused by the Coronavirus around the world. Camp Kandalore's highest priority remains the health, safety and well-being of our campers and staff.

At this time, we wanted to write and let you know that we have extended our final fee payment due date from March 31st to April 30th. Our hope is that this extension provides our camp families the necessary time needed to make an informed decision about their upcoming summer.

To protect the health of our staff, we have closed our Toronto office for the time being with our team members working remotely by email and checking office voicemails periodically throughout the day. Please do not hesitate to be in touch via email (camp@kandalore.com) or by phone (416) 322 9735 at any time.

Please rest assured that we will continue to update you in the coming weeks and very much hope to welcome your campers at camp this summer.

Wishing all of our families good health and well-being.

Yours Sincerely,

Janice
